SOFTWARE PRICE LIST

Please note: all Apple-manufactured products (Mac computers, iPods, etc) with academic discount can only be purchased at www.apple.com/education/store.

Everything else we can special order (PC software for windows or mac, accessories, peripherals).

Prices as of Aug 2007. Due to changing tech market, prices may change without notice. Customer must show student/staff ID, and is responsible for purchasing the right kind and version of software.
